

Uffculme Show & Country Fayre

Sunday 3rd September 2023 - 10am - 5pm
Bridwell Park - Uffculme - EX15 3BU

@UFFCULMESHOW - www.exevalleyrotary.org.uk

A very warm welcome to the 2023 Uffculme Show and Country Fayre, once again located at the impressive Bridwell Park courtesy of Lord Ivar Mountbatten and James Coyle. Our thanks go to them together with all the team at Bridwell Park.

Whether you join us for the first time or are a seasoned regular we, as always, continue to aim for a day's "Fun for all the Family" with even more to offer than previous years! There's something for everyone regardless of age, with lots to see, do, and eat, (and some tempting things to buy too). Old favourites like the dog show, and our popular classic vehicle displays are back again, but are joined by some first timers as well.

Join in the circus workshop, pat the ponies, see the birds of prey, try your hand at archery and be amazed by the many Craft Stalls. Let the kids shoot an arrow, while you wangle a wellie, play skittles or talk to our enthusiastic stall holders. Above all, relax against a background of varied and talented performers throughout the day. You will find some familiar faces around the showground and a fantastic festival of music on our stage.

All profits and donations will benefit a range of charitable causes under the careful stewardship of Exe Valley Rotary – now our 18th year at the show with help from Uffculme Lights Committee as well as numerous friends and sponsors. We are a registered charity and this is our club's main charitable fundraising and community event for the year. To find out more do talk with our stewards or visit www.exevalleyrotary.org.uk

Have an enjoyable day and thank you for your support.

ON THE STAGE

2023 UFFCULME SHOW & COUNTRY FAYRE MUSIC FESTIVAL

From 10:20-11:20am: Trevor James & Co Trevor James or Trev, as he was known at school, pioneered the first school rock band when he was 15 "Randy Vicar". Playing all sorts of venues and audiences over the years his debut, self-titled album was released in August 2018 and he's been playing his original songs, and covers, both solo, as a duo and, as per today, with his band. Look out for local boy, Russell Lemon, on the drums!

From 11:45am-12:45pm: BLISS is a 5-piece band featuring pop, rock and soul music covers from the '80s to the present day. They have been together for 10 years; formally known as Byzantium Lane. Rebecca shines on vocals with David outstanding on lead guitar. They are ably supported by Dean on drums, Jonathan on keys and Liam on bass guitar. They say that music is the language of the soul, and this is certainly true for BLISS.

From 13:10-14:10pm: The Lateshift is one of the most respected and popular wedding/party/function bands in the South West – 2019 Winner of the prestigious Silver Medal Award from Bridebook.co.uk'. The band boasts superb female lead vocals, male backing vocals, saxophone, guitar, drums and bass. They play a great mix of classic pop/rock/soul/disco/RnB. Expect Queen, Tina Turner, Chic, Abba, Madness, Guns 'n' Roses, etc.

From 14:35-15:35pm: Rock The Night is a superb rock/blues/pop/party covers band paying tribute to a wide range of classics from across the decades. In Plamen Nikolov they have an outstanding lead guitarist. They'll feature songs from artists such as Led Zeppelin, Pink Floyd, Queen, Thin Lizzy, Free, Wilson Pickett, Guns 'n' Roses, Gary Moore, Eric Clapton, AC/DC, The Rolling Stones, Kinks and Bon Jovi (to name but a few).

From 16:00-17:00pm: The Wireless are in their 16th year and have a massive repertoire covering the '60s to the present day. Taking classic songs that rarely get played by pub bands, Rob C, Si Hackers and Marv ensure the dancefloor is always busy. Vocal duties are distributed throughout the band for the 85 songs on their current set-list, They're an outstanding band and there really is something for everyone here.
